ORGANIZATIONAL PROFILE

Located in West Oakland, Civicorps is a dynamic non-profit that includes two social enterprises and a high school diploma completion program. Civicorps' mission is to re-engage young adults, age 18-26, to earn a high-school diploma, gain job skills, pursue college, and embark on family-sustaining careers in conservation and land management.

Youth at Civicorps have the ambition, talent, and perseverance to succeed; what they deserve is personalized mentoring and support as they develop a plan to achieve their goals. Our participants have experienced failures of multiple systems — the traditional school system, the justice system, and the child welfare system. Against a larger Bay Area backdrop of accelerating income inequality, neighborhood displacement, and food and housing insecurity, Civicorps' programs and support services are more vital than ever.

Through our unique mix of paid job training, trauma-informed support services, personalized academics and pathways to college and careers, Civicorps helps resilient youth overcome barriers, cultivate their talents, and unleash their potential.
